

BEING YOU: AFFIRMING LGBTQ+ YOUTH & SUPPORTING FAMILIES

Join our community for an interactive workshop to bolster support for youth who identify as LGBTQ+. Learn about gender identity and expression, sexual orientation, and the resources available to ensure youth and their families are well supported AND connected in their identities and experiences.

This workshop is for LGBTQ+ youth and their families.

Topics discussed will include mental health, experiences of youth during COVID, and briefly touch on suicide and self-harm. Resources will be shared for those needing additional support.
